

Killeen Civic Art Guild

Artist's Think Tank - 18 February, 2012

10:00 to 2:00 at Killeen Arts & Activities Center KCAG Studio

COST is FREE TO KCAG MEMBERS, \$5 Donation for Guests

Here's an opportunity to have an open forum of artists, to learn about extreme art. Each attendee may have about 15 minutes to show and tell of your most difficult or unexpected project. This will stimulate our creativity, and help pinpoint what you as an artist would like to experience in this year's coming workshops. Academic study is important, as well as hands on training, but this is stuff you may not find in a text book. Don't miss it!

Please bring a piece of art, portfolio or photos of your art to display for the session.
